FROM:

SUBJECT: Program for Overseas Instructors

1. My explorations of this subject have reached the point at which I need either verification or redirection. The purpose of this memorandum is to request that you give me whichever seems to you to be appropriate, or perhaps a combination of the two.
2. It appears to me that, before we proceed to develop detailed plans, we must have:
 - a. More specific information as to just what we are trying to accomplish--mission.
 - b. Agreement on basic theory and major applications of it--strategy and tactics.
3. Toward these ends I have prepared two papers, which are conveyed herewith:
 - a. A one-page questionnaire to be completed by officers of OSO and OPC. If I could have my way, I would have it answered at operational desk level; if not there, then at divisional level.
 - b. A four-page study to be considered by the appropriate officer or officers of TR(C), OSO and OPC.
4. After you have had an opportunity to consider these papers, I hope you will give me a ring so that I can visit your office and discuss with you any points that are not clear or with which you are inclined to disagree.
